BOOK SYNOPSIS

Beautiful animal portraits are revealed as you complete each section of dots—so intricate you'll want to display your finished work! The twenty puzzles in this book are much more sophisticated than the one-dimensional images created in childhood. Tonal shading and expressive line work build as each numbered section is finished. Dot-to-dot puzzles have also been proven to increase short-term cognitive acuity, hand-eye coordination, and concentration skills. Whether you're filling time on a rainy day, using the puzzles for a party game, or learning the principles of drawing, 1000 Dot-to-Dot: Animals is fun for all ages. Get your pencils ready and connect the dots!
