BOOK SYNOPSIS

Two is always better than one. Knowing a fighters desires and needs are one thing, but actually experiencing them is another. A Fighters Desire gives you not one, but two stories full of hardcore passion, angst, and action thatll leave you breathless and aching for more. Part One: Ryley and Camden Jameson, well-known MMA fighters and identical twins, were just as aggressive and passionate in the bed as they were in the ring. They loved a good fight, and thats exactly what they got when they met Ashleigh Warren. The brothers had a habit of sharing things-including women-and she happened to be the only one they truly craved. However, the problem was getting her to agree to their proposition. It was one she couldnt refuse, but she knew it wouldnt be easy to win. Nonetheless, she sure as hell was going to enjoy it. Part Two: Fighting temptation isnt easy when youre constantly around the one person youve desired more than any other. Gabriella Reynolds was warned by her brother, MMA Heavyweight Champion Matt Reynolds, to stay away from his friends; they only wanted one thing, and in the end theyd break her heart. She heard it, but the desire to have the one man she couldnt led her down the forbidden path to pursue him; he also happens to be one of her brothers best friends. Tyler Rushing cant deny his attraction to her, and hes afraid shell want more than what he can give her. When he finds out thats not the case ... everything changes. They have no choice but to keep their time a secret, and its a secret thatll stay with them forever.
