BOOK SYNOPSIS

The author of *American Nations* examines the history of and solutions to the key American question: how best to reconcile individual liberty with the maintenance of a free society. The struggle between individual rights and the good of the community as a whole has been the basis of nearly every major disagreement in our history, from the debates at the Constitutional Convention and in the run up to the Civil War to the fights surrounding the agendas of the Federalists, the Progressives, the New Dealers, the civil rights movement, and the Tea Party. In *American Character*, Colin Woodard traces these two key strands in American politics through the four centuries of the nation's existence, from the first colonies through the Gilded Age, Great Depression and the present day, and he explores how different regions of the country have successfully or disastrously accommodated them. The independent streak found its most pernicious form in the antebellum South but was balanced in the Gilded Age by communitarian reform efforts; the New Deal was an example of a successful coalition between communitarian-minded Eastern elites and Southerners. Woodard argues that maintaining a liberal democracy, a society where mass human freedom is possible, requires finding a balance between protecting individual liberty and nurturing a free society. Going to either libertarian or collectivist extremes results in tyranny. But where does the "sweet spot" lie in the United States, a federation of disparate regional cultures that have always strongly disagreed on these issues? Woodard leads readers on a riveting and revealing journey through four centuries of struggle, experimentation, successes and failures to provide an answer. His historically informed and pragmatic suggestions on how to achieve this balance and break the nation's political deadlock will be of interest to anyone who cares about the current American predicament--political, ideological, and sociological. From the Hardcover edition.

AMERICAN CHARACTER A HISTORY OF THE EPIC STRUGGLE BETWEEN INDIVIDUAL LIBERTY AND THE COMMON GOOD - Are you looking for Ebook *American Character A History Of The Epic Struggle Between Individual Liberty And The Common Good*? You will be glad to know that right now *American Character A History Of The Epic Struggle Between Individual Liberty And The Common Good* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *American Character A History Of The Epic Struggle Between Individual Liberty And The Common Good* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *American Character A History Of The Epic Struggle Between Individual Liberty And The Common Good* and many other ebooks. We have made it easy for you to find a PDF Ebook without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *American Character A History Of The Epic Struggle Between Individual Liberty And The Common Good*. To get started finding *American Character A History Of The Epic Struggle Between Individual Liberty And The Common Good*, you are right to find our website which has a comprehensive collection of manuals listed.
