BOOK SYNOPSIS

An exhaustive and unforgettable portrait of Indias greatest and most respected industrialist. Written with J.R.D. Tatas co-operation, this superb biography tells the J.R.D. story from his birth to 1993, the year in which he died in Switzerland. The book is divided into four parts: Part I deals with the early years, from J.R.Ds birth in France in 1904 to his accession to the chairmanship of Tatas, Indias largest industrial conglomerate, at the age of thirty-four; Part II looks at his forty-six years in Indian aviation (the lasting passion of J.R.Ds life) which led to the initiation of the Indian aviation industry and its development into one of Indias success stories; Part III illuminates his half-century-long stint as the outstanding personality of Indian industry; and Part IV unearths hitherto unknown details about the private man and the public figure, including glimpses of his long friendships with such people as Jawaharlal Nehru, Mahatma Gandhi, Indira Gandhi and his association with celebrities in India and abroad.
