BOOK SYNOPSIS

Check It Off! Pave Your Way through College to Career is an excellent resource for high-school students entering college and a great read for parents too! Vera Teller, a college lecturer of first-year seminars, shows readers what they need to do in college to prepare themselves to seek employment and obtain a career once graduated. Check It Off! provides a checklist of activities for each year of college to prepare the student for a career and to help him or her answer the three most important questions: 1. What do I like to do? 2. What do I want to do? 3. What does the world need? This book is a quick, easy read that uniquely focuses on the activities students should pursue during college rather than after college. Check It Off! provides a proactive approach to career planning that steers the student to explore activities in preparation of a career and career direction.
