BOOK SYNOPSIS

Whats behind every healed patient? Critical thinking! And what book best equips you to master the critical thinking skills needed for success on the NCLEX examination and in professional nursing practice? Alfaros Critical Thinking, Clinical Reasoning, and Clinical Judgment, 6th Edition! With a motivational style and insightful "how-to" approach, this unique textbook draws upon real-life scenarios and evidence-based strategies as it guides you in learning to think critically in clinically meaningful ways. The new edition features a more streamlined, full-color design, and expanded coverage on some of key trends, including: interdisciplinary care teams, competency-based education, the IOMs Leading Health Indicators, legal considerations, the effects of the Affordable Care Act, and much more. If you want to truly succeed in nursing practice today and be thinking-oriented rather than task-oriented, then look no further than this one-of-a-kind textbook.
