## BOOK SYNOPSIS

As Executive Pastry Chef at the White House for twenty-five years, Roland Mesnier has been responsible for creating thousands of elegant, delicious confections and dazzling desserts for hundreds of state dinners and family occasions. An accomplished teacher as well as a master chef, he now shares his expertise with home cooks in *Dessert University*, which features more than 300 spectacular recipes. This beautifully illustrated volume is a complete course in making the full spectrum of spectacular sweets—from breakfast pastries, cookies, and pies to fresh-fruit desserts, frozen confections, and cakes. Recipes in each chapter are organized from the simplest to the most complex, and Chef Mesnier walks you through each step, pointing out common mistakes and offering insights on technique gained from his years as a professional. Most of these recipes need few special ingredients and almost no fancy equipment; nearly everything can be purchased at a well-stocked supermarket, department store, or kitchen supply store. Chef Mesnier includes tips on techniques, ingredients, and serving suggestions, and offers home cooks practical advice, such as how to fill and use a pastry bag and the best way to whip egg whites. Mesnier starts off with his fresh-fruit desserts, including uniquely wonderful recipes such as Bananas in Raspberry Cream, Blueberry Fool, and Poached Peaches with Chestnut Mousse. He moves on to creamy custards, puddings, soufflés, mousses and Bavarians, ice creams, meringues, crêpes, and breakfast treats (including buttery brioche and croissant doughs). Chef Mesnier's cookie and bar recipes will fill your cookie jar with such treats as Chocolate Chip Cookies, Almond Crescents, Orange Butter Cookies, Brownies, and Florentine Squares. There are sweet and savory tarts, and cakes ranging from the simple (Lemon Pound Cake) to the unusual (Peanut Butter and Jelly Roulade Cake) to the sophisticated (Chocolate Champagne Mousse Cake). More than fifty black-and-white line drawings throughout illustrate Chef Mesnier's instructions for the more complicated recipes. Whether you're a novice who has never picked up a rolling pin or an accomplished cook looking to hone and enhance your skills, this is truly a book you cannot do without.

**DESSERT UNIVERSITY** - Are you looking for Ebook *Dessert University*? You will be glad to know that right now *Dessert University* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Dessert University* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Dessert University* and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Dessert University*. To get started finding *Dessert University*, you are right to find our website which has a comprehensive collection of manuals listed.
