BOOK SYNOPSIS

Grays Basic Anatomy equips you with all the essential anatomy information you need to know, in a concise, efficient, high-yield format! This new medical textbook lets you study efficiently while being confident in your mastery of the most important anatomical concepts. See the clinical implications with "Clinical Apps," "Imaging Apps," and surface anatomy boxes throughout. Get a clear picture with carefully selected illustrations that are easy to learn from, modern in design, and concisely labeled. Access a wealth of ancillary material online for a better overall understanding of the subject including a surface anatomy tool, case studies, self-test questions, and more at www.studentconsult.com. Trust Grays to master the essentials of anatomy.
