BOOK SYNOPSIS

The frank and uncensored confessions of Salvador Dalí, from his childhood and first adolescent sexual experiences to his emergence as a painter, Surrealist, and eventually the most famous and possibly richest artist of modern times. These inspired tracts, covering art, love, sex, money, death, fame, science, his famous friends and enemies, and his extraordinary creative genius, reveal the intricate workings of Dalí's mind. Illustrated throughout, Maniac Eyeball also includes a complete chronology of Dalí's life. It is the third and most comprehensive volume of autobiography. His art and writings remain amongst the most unique and important bodies of work of the 20th Century. Solar Art Directives features the most innovative artists of the 20th century
