## BOOK SYNOPSIS

"Lisa Scottoline delivers another searing, powerful blockbuster novel that explores hot-button issues within the framework of an intricately plotted thriller. When a woman and her husband, desperate for a baby, find themselves unable to conceive, they decide to take further steps. Since it is the husband who is infertile, the heroine decides to use a donor. And all seems to be well. Three months pass and she is happily pregnant. But a shocking revelation occurs when she discovers that a man arrested for a series of brutal murders is her donor - the biological father of the child she is carrying. Delving deeper to uncover the truth, the heroine must face her worst fears, and confront a terrifying truth. Most Wanted is sure to be Lisa Scottoline's most discussed, bestselling novel yet"--
