BOOK SYNOPSIS

The powerfully erotic memoir that inspired the legendary film with a forward by bestselling novelist Francine Prose. *Nine and a Half Weeks* is a true story so unusual, so passionate, and so extreme in its psychology and sexuality that it will take your breath away. Elizabeth McNeill was an executive for a large corporation when she began an affair with a man she met casually. Their sexual excitement depended on a pattern of domination and humiliation, and as their relationship progressed they played out ever more dangerous and elaborate variations on that pattern of sadomasochism. By the end, Elizabeth had relinquished all control over her body -- and her mind. With a cool detachment that makes the experiences and sensations she describes all the more frightening in their intensity, Elizabeth McNeill deftly unfolds her story and invites you into the mesmerizing and dangerous world of *Nine and a Half Weeks* -- a world you won't soon forget.
