## **BOOK SYNOPSIS**

In July of 2014, Dan, Eddie, and Gavs sat at a bar talking shit about making beer. Two years later, theyd opened their own brewery on the Gold Coast in Australia called Black Hops. Its been an epic journey, from "the little situation" in China, to a collaboration with the biggest entertainment franchise on earth, and finally-launching a brewery. Operation Brewery tells their story and gives you every last detail on how to build your own brewery on a budget.
