## **BOOK SYNOPSIS**

Book & CD-ROM. This is the most thorough, concise, and easy-to-follow event planning book available. From the initial concept of the event to ongoing management, this book provides techniques to increase your chances of success and systems to avoid many common mistakes. It shows you dozens of ways to save time and money and introduces you to every facet of the planning process. This ultimate guidebook equips readers with new ideas, support, and creative problem-solving skills. The chapters follow the dynamics of the actual event planning process and are supported by extensive checklists and timelines. As readers undertake the complexities of daily responsibilities and tasks, the guide inspires efficiency and confidence and makes it possible to stay on track. This revised 2nd edition includes information on timely practices such as planning environmentally friendly parties, using technology applications and gadgets to orchestrate a modern event, and generating enthusiasm for your events using social media and social networking. The companion CD-ROM included with the book contains helpful checklists, worksheets, and contracts and agreements to help you co-ordinate an organised event. On the CD-ROM, you will find sample speaker agreements, timelines for planning your event, status reports, budget sheets, site selection checklists, and much more.
