## **BOOK SYNOPSIS**

The New York Times bestselling author of *The Party Is Over* delivers a no-holds-barred exposé of who really wields power in Washington. Every four years, tempers are tested and marriages fray as Americans head to the polls to cast their votes. But does anyone really care what we think? Has our vaunted political system become one big, expensive, painfully scripted reality TV show? In this cringe-inducing expose of the sins and excesses of Beltwayland, a longtime Republican party insider argues that we have become an oligarchy in form if not in name. Hooked on war, genuflecting to big donors, in thrall to discredited economic theories and utterly bereft of a moral compass, America's governing classes are selling their souls to entrenched interest while our bridges collapse, wages stagnate, and our water is increasingly undrinkable. Drawing on insights gleaned over three decades on Capitol Hill, much of it on the Budget Committee, Lofgren paints a gripping portrait of the dismal swamp on the Potomac and the revolution it will take to reclaim our government and set us back on course. From the Hardcover edition.
